Full of detail, grace, and dates back to the 1900's. This piece would make an ideal buffet / sideboard, TV console, or entryway piece.

The stately serpentine front mahogany buffet/server has graceful curves throughout. Beautiful carved detail on the front side of the buffet makes this an exquisite piece. Dimensions are 62" wide x 34" high x 21" deep. There are two (2) central, felt-lined partitioned drawers for flatware and two (2) central deeper drawers below. Two (2) cupboards are on each side of the center drawers with two (2) smaller drawers above the cupboards. The cupboards also have a shelf in them. LOTS of storage. All drawers are dove-tailed. To finish it off, each drawer has solid brass drawer pulls with beautiful aged finish. Absolutely stunning mahogany piece with beautiful craftsmanship.

This is a wonderful buffet/server with wear commensurate for the age of the pieces.
