Vintage Duncan Phyfe Style Dining room Table, hard to find Harp-backed Chairs, and Curved Buffet/Server. Full of detail, grace, and dates back to the 1900's. Absolutely stunning mahogany pieces with beautiful craftsmanship.

The table [approx. 58" (L) x 38" (W) x 29.5" (H)] features a double pedestal, apron, two leaves (12" each), and an easy gliding open mechanism. This is a wonderful feature so one person can easily open the table to put in and take out leaves. Storage of the leaves has made them slightly darker than the table top.

This set comes with 6 chairs. 1 Captains Chair (with arms) and 5 rare harp-backed side chairs. The seat upholstery is easy to replace. No sewing needed. No stains or tears on the upholstery.

The stately serpentine front mahogany buffet/server has graceful curves throughout. Beautiful carved detail on the front side of the buffet makes this an exquisite piece. Dimensions are 62" wide x 34" high x 21" deep. There are two (2) central, felt-lined partitioned drawers for flatware, and two (2) small deep drawers below. Two (2) cupboards on each side of the center drawers with two (2) drawers above.
